Objective

I'm A Designer And Developer With Nearly 2 Years Of Experience Creating Digital Experiences That Feel Seamless, Engaging, And True To A Brand's Identity. I Love Bringing Ideas To Life—From Crafting Thoughtful User Journeys And Clean Interfaces To Building The Functionality That Makes Them Work. My Background In Both Design And Development Helps Me Bridge Creativity With Practicality, Ensuring Every Product Not Only Looks Great But Performs Smoothly. Lately, I've Been Focusing On Scalable, Accessible Designs And Meaningful Brand Storytelling Through Design Systems And Intuitive Interactions.

Experience

Junior Developer

Qrestik Technologies - Rohaan Constructions (May 2024 – Present)

UI / UX Design – Figma, Responsive Design
